“ *Thinking of you all today and calling to mind fond memories of our frequent family get-togethers. Uncle Daniel was a crucial part of that time and space; it's sad to think he is gone from this earth but comforting to know that we will meet again in a far better place. — Bob Buller*

“ *Our sympathy to the Buller family on Dan's passing. Good ;memories of Dan and Marie at O'Neill Berean and Faith Community. I especially remember the years he and I served together on the mission committee and his participation in men's retreats when they were held. I am sure he is enjoying his forever home in heaven and just praising God and being reunited with all who have gone before. Leroy and Marlene Wiekamp*
