“ Being the sister of Kathy Schuppan, I would spend time in Meridan, and Kathy took me down to Ralph and Darlene's , and Darlene was making steak and eggs for all the ranch hands and Ralph. At the time I was young and that stove looked so big to me! And didn't know you could have steak for breakfast. But what a great memory, and I know many friends and family will have many to keep in their hearts to get them through this loss. Praying for you all, Jody (Johnson) Dill

“ To Rod and Dede, your families and the Chamberlains, We are so sorry to hear about Darlene. She has now joined the love of her life, Ralph. They were a wonderful couple. Our close family ties never did end and I enjoyed seeing them a few summers ago in Cheyenne at my grandmothers home. So many good memories at the ranch with your family. Our prayers and thoughts are with you all.
Sincerely,
Kris Hunter and the Hunter family
