“ There are few words needed to describe Darrel's love of God, life, family and friends. The joy in his life has been reflected in those around him. I treasured the man I came to know during this past 15 1/2 years. We met in 1997 and, of course, I thought we had plenty of time". I was given up for adoption in 1946 which was a God send as how would two teenagers and a baby survive during what had to be very rough beginning in the '40s? So, I just wanted to say to the rest of his/my family and friends that I gained through knowing my dad, thank you for loving him and being there for him. Thank you for loving and being there for each other. My life has been blessed by knowing my birth dad. I am only sorry that our Lord and Savior wanted him home so soon.

“ Hi Carol, Gaylene, Bob, Jake, J-Deanne, Jamie and Nathan -- I am so sad to hear that Darrel has left. I know he's in a better place but I know you will miss him so much. I will always remember Carol and Darrel visiting River Falls and the Christmas dinners at Gaylene and Bob's house with Aunt Grace. And the 4th of July when I was at the cabin when Darrel and Carol were there. I will be thinking of you all this week as you remember and celebrate his life.
