“ Dave was a stalwart in this community. He possessed abilities that many of us covet. He served our immediate family well over the years and also served as a confidant at times. Keith enjoyed him a great deal as a member of Torrington Investment Club # 15 in which he was a participating member for many years. We send our deepest sympathies to his entire family.

“ My sincerest condolences to the family of David Kellam. In high school, I was friends with Mike Kellam and enjoyed knowing the Kellam family. It saddens me to hear of David's passing and hope that the family knows he was a well known, loved and respected man. For Micheal, I am truly sorry that you have lost your father and know my thoughts are with you at this sad time in your life..

“ Dear Kellams,
I wanted to let you know how sorry I am to learn of Dave's death. Though I only knew him through the Drug Store and Torrington Turf, he was always kind and a had warmth about him always making one feel welcomed. He and Jean made a wonderful couple and they raised wonderful children. I will never forgot going into Kellam Drug and seeing them both along with their beautiful Irish Setter. A class act all the way. Dave will truly be missed.

“ When I worked at Guernsey State Park, I so loved to see David and Jean come through the gate when I was working. To see Jeans beautiful smile when I teased David about good to his lovely lady. And of course the wonderful smile he gave me when I told him that. He was so devoted to Jean. An honor to know them even in a small way as that. My sympathies to the family. You are blessed to have them.
