“ Mike, Sue, and family -- my heart goes out to you all. Your dad was such a wonderful mentor to me, and your mother, Mike, was always kind to me. I think of you often, and am sending love at this sad time.

“ I moved into Evergreen and saw that there was a bridge game every Sunday, so I went and asked if they needed a fourth and that day they didn't, but another time they did and Delores was my partner and said we'll see how you do this time. I must have done okay because I was invited back. She wanted you to think she was mean but she was a sweetheart. Miss her.
