“ I am Dot and Fritz Backman's daughter so I knew Delores and Paul all through my childhood, as they were some of my parents' closest friends. Delores had all of the qualities from my memories of Torrington that I cherish: a loving wife and mom, fabulous homemaker, cook, and polka dancer. She helped me with a very special gift when I was a senior in high school. She helped me make a beautiful flannel quilt that I gave to my boyfriend (husband now) for Christmas. She sewed it with me on her sewing machine and then taught me how to tie it off with yarn. Our 19-year-old daughter still has that worn-out blanket on her bed, and we cherish it. She was one in a million!

“ I write this with a sincere appreciation for everything your mother ever did for me. She was a wonderful woman who treated me as one of her own. She taught me about life, how to live it to its fullest, about love and how to accept everyone, about a house and a home, how to cook and make a family meal and include all who wanted to join, how to dance and how to make quilts that last a lifetime. I will never forget the endless Sunday family dinners with noodle soup and butterballs or cabbage burgers and always getting to drink a pepsi with taco salad. The fried chicken and german potatoes were the best. She will never be forgotten and I hope you all find peace knowing that she loved all of you with everything she had and will be looking down on you smiling, always, that she and your father rased such a wonderful family. God bless you all, Love Pam
