“ Greg, Grant and family, the family of Garrett -- I am so very, very sorry to hear of Deloris' death. I am especially happy to hear she was finally in Torrington. My expression is so late, as I have been down for three weeks with a bad case of bronchitis. I would have been at the services, but I reside during the school year in Illinois as I work at the University of Illinois.

I have tons of fond memories of time spent with your mother. I believe she is in a better place and at peace. She is also with your dad so he can watch over her. My sincere sympathy is with each and every one of you.

Love,

Deb Kramer Johnson
