“ *I remember playing many games of pitch with Uncle Butch and Aunt Kathleen.. and the rest of the family! I'm sure they are having one heck of a card game in Heaven. Also remember playing the game Password.. that's how he got his nickname from me!! Can't remember what the word was.... Also remember mom telling him she could put her toe in her mouth.. he said he could too!! He did.. but unfortunately ended up going to the ER later that night because he pulled something. Will forever miss you Uncle Butch..* ”
