“ I met Dennis while working at the Senior Center. One day when I was delivering his meal he told me he was going to call me PP. I was confused for a moment, but then asked why. He replied, POOP PERSON. I was still confused. He then said, you know because the bird pooped on you. Oh yess then I remembered a few months prior, a bird had indeed pooped on my shoulder while I was delivering his lunch. He was a great man and I'm going to miss him dearly.
