“ *Diana! Oh my gosh, what has happened to you? You are my dear, dear friend! I hadn't seen you in a while, but assumed everything was OK, and you were just skipping along down that yellow brick road, like you always have, with a wonderful smile on your face. The world has lost a sweet, sweet soul in you, and i will MISS YOU SO MUCH. You told me such great stories about Steve chasing you and Stacey all over town, and they are stories that still bring a huge smile to my face. It's way too soon Diana, i'm the old one, i was supposed to go first. I hope and pray our Sovereign King swept you up in His arms the very SECOND you arrived, and now your joy is unfathomable. Be happy Diana, like you made all of us happy. And i'm sure there's still a yellow brick road somewhere in heaven!*
