“ Aunt Donna, I'm so sorry to have missed your 80th birthday bash last year due to my move from Wyoming back to my roots in Nebraska. Was hoping I'd be able to get out there to see you this summer, but it's okay that you decided enough was enough. We can have a nice visit anytime now. I'm sure Harold and Ruben & Lois and Rich and many others are showing you the ropes and have lots of plans for good times.

Thanks for so many happy and fun memories over the years. I miss you, but someday I'll see you on the other side! Love you!

“ Londa and I are deeply sorry to hear of your mom's passing. Both she and your dad were very special people and just a joy to be around. We feel very fortunate and privileged to have been a part of their lives. Donna tackled her medical problems with such positivity and tenacity that I never doubted she would do well over many years.
