“ I am so sorry. We were great friends years ago. I always enjoyed Dorothy and the sense of humor. We had a great time in the old Moore Springs community.

“ We have fond memories that go back to the days of baseball where we all worked together, particularly in Little League. Dorothy was certainly an asset to the program with her ability and dedication and was a pleasure to be around. We extend our sincere sympathies to her entire family.

“ I cannot express the words for the loss of Dorothy. She was loved in so many ways that she did not know, how she touched our lives. We started in grade school and finished in high school. She was more like a sister that I never had, always there if I needed to talk on the phone. We had some good memories in high school, getting to use her Dads new car, and drive down main and of course going to the Out or Inn drive inn, and honking at all those friends of ours. The laughs were many, and then she got married to that good guy Lee. She was so happy, after that we still talked, then about our families. Whom she talked about often.

Dorothy has left a void in many of us, but she will not be forgotten. We all will miss her, but it was time the good lord needed her, and called her home. To all of her family your loss was a great one, but remember she loved each and everyone of you.

My heart goes out to you all!

Always, Theresa
