

Dorothy Yorges

January 5, 1942 - October 6, 2010

TORRINGTON, WYOMING.....Funeral services for DOROTHY LOUISE YORGES, 68, will be held at 10am on Monday, October 11, 2010 at the First Wyoming United Presbyterian Church with Reverend Curtis Hill officiating. Burial will follow in the Valley View Cemetery. Dorothy died October 6, 2010 surrounded by her loving family at home after a long and courageous battle with ALS (Lou Gehrig's Disease). Memorials may be directed to the South Goshen Presbyterian Church. Visitation will be Sunday from 3pm to 7pm at the funeral home and the casket will be closed at the service. Arrangements are under the direction of the Colyer Funeral Home and friends may send condolences to the family at www.colyerfuneralhome.com Dorothy was born January 5, 1942 in Torrington, Wyoming the daughter of Harley and Lydia (Jenkins) Babbitt. She was raised around the LaGrange and Yoder, Wyoming area. She lived a short time in Oregon while she was recovering from severe burns as a child. While she was in high school she met Earl Yorges at a Yoder dance where he danced her off her feet and into his heart. They were married on April 25, 1959 at the Presbyterian Church in Yoder. They lived for five years in the Veteran, Wyoming area and then moved to a farm ten miles west of Yoder where they farmed and ranched until they moved to Torrington in 1986. Dorothy helped run the farm with Earl and they raised four children. She enjoyed raising her family, gardening, sewing, and every aspect of farm and ranch life. She especially loved springtime when all the baby calves were being born, the birds were singing, and the refreshing sight of new life that

springtime brings. She also loved late summer when the smell of wheat harvest was in the air and the golden wheat fields were abundant. She devoted her life to God and was active in every aspect of the church and also made it a mission in her life to volunteer at the nursing home until her health denied her that privilege. She filled many pulpits as a lay minister in Wyoming and was a long time member of the South Goshen Presbyterian Church. Dorothy is survived by her devoted and loving husband Earl; her children, Marty Yorges, Becky (Richard) Reyes, Lori (Rod) Weyrich, and Vicky (Ed) Stovall; seven grandchildren, Colin (Emily) Yorges and Haley Yorges, Alisa Reyes, Jenna and Shelby Weyrich, and Paige and Bailey Stovall; her brothers Kenneth, Raymond, Leonard, and Harold Babbitt; her sisters Myrtle Brewster and Rosie Dillman; and other family members that loved her very much. She was preceded in death by her parents Harley and Lydia Babbitt; brother Merle Babbitt; an infant brother; and a nephew Jiggs Babbitt.

“ It has been my great pleasure to be one of Dorothy's nephews for the past 38 yrs. I always looked forward to dropping in when we would take a vacation to Wyoming. Each visit was unique and guranteed to be full of love. She showed strentgh and determination as she battled ALS. My last visit with her was by all accounts a rare perfect moment. Aunt Dottie danced the night away at Uncle Ken's & Aunt Phyllis's 50th Wed anniversary showing everyone what life is all about "Love, Family,and Fun".

“ Aunt Dottie, How we are going to miss you and all that you were to us. You and your family were not just my Aunt, Uncle and cousins but my second family. The summer wheat harvest time spent with all of you will always be time well spent full of fun, laughter and many memories. I might not had the 100 kids or lived by you, but you will always live in our hearts. And to quote a verse from the one song you always wanted me to sing.
Delta Dawn, what's that flower you have on. Could it be a faded rose from days gone by. And did I hear you say he was a-meeting you here today. To take you to his mansion in the sky. God Bless you peace be with you. Uncle Earl, Marty, Becky, Lori, Vicky and family. May God Bless and keep you all. We love all of you very much.

“ Dear Earl, Marty, Becky, Lori & Vicky:

I am so sorry for your loss. Your Mom has made such a huge impact in my life. She was such a sweet, loving and caring individual. She had such a positive outlook on life and always brightened my day whenever I would run into her. She was one of the first people that showed up when we lost my dad and my mom. Her homemade chicken and noodles were the best! She will be in my heart forever. Just know that I understand the pain that you are all feeling and that I am here for all of you. Love you all!

“ *To the Yorges Family:
Our thoughts are with you as we share in your loss. Dorothy faught a galant fight and is now in a better place--although it may seem as a small consoliation to you at the moment, it will provide reassurance that Dorothy has gone ahead and is at peace. Earl has spoken so often of her battles and can rest assured that he did his part in making her years special.*

Time heals loss--keep the faith and we'll understand more when our time comes.

“ *Dorothy was an amazing woman. She was so strong and choose to fight her terrible disease as long as she could. I had the opportunity to know Dorothy since I was in elementary school, when her grand daughter Jenna & I became friends. Dortothy always made me feel like a member of the family when I was with them. She was an adopted grandma for me, and it was a sad day when I learned of her passing. She will always be remembered by many. God gained a beautiful strong angel on the day Dorothy left this earth. There is no doubt in anyones mind that Dorothy is sitting in heaven right now looking down on us all with a smile on her face, a song in her voice, and no pain in her body.*

“ *What a dear heart and devoted Mother to all her children and grand children.*

She fought a valiant battle, against a tyrant that eventually took her physical life, but she lives on in the spiritual realm that lies ahead for all believers. What joyful news to know that as believers in our Lord, Jesus Christ, we will all be reunited again and live forever where there is no more pain and suffering.

*May God be with you in your mourning,

“ Words can never express how wonderful of a person Aunt Dottie was. No one quite understood the unspoken words that she did. You didn't have to say anything and she just knew what you needed to hear and was there in so many difficult and happy times for myself, Tim & Lenae. I will always remember the Jesus mirror you gave me when you were my Sunday School Teacher. How you said "Jesus would always be there". I remember you teaching me to read musical notes in church and singing beside you because you had the most amazing voice! My love of music and singing came from you and I can't thank you enough for that gift. I know you are singing in God's choir now but my heart aches for our loss... You never judged people. You showed compassion and understanding to everyone. More should be like you. Thanks for the many years of May baskets, Christmas cards & homemade caramels in coffee can Santa boots... just little things that let us know you were always there... You were the glue that made us all so close as a family and you will be greatly missed. Words can't thank you enough for all the love you shared with us and I know many others. To Uncle Earl, Marty, Becky, Lori, Vicky and kids I know Aunt Dottie's strength and faith lives in us all. We will continue to share it with our children and their families and others we meet. I love you all so much!

“ My thoughts and prayers go out to the family. I have many fond memories of Dorothy, she truly was an angel. I grew up with Jenna and Shelby, her granddaughters and was able to meet her through the girls. I also went to church at South Goshen Presbyterian when she was a devoted member. One of my fondest memories of Dorothy was when I was in 4th grade. I remember receiving my bible and after the church service she came up to me and gave me a big hug. That next Sunday she stood in and led the service and she read a poem in which she had written. To this day I remember that very church service, the words she spoke that day in the Yoder church still stick with me.

“ We were so sorry to hear that Dorothy passed away. I only knew who she was, but I knew some of her family. I knew the Yoges family dating back to when I was in the first grade at Yoder Public Schools. I was on the school bus with them the four years I went to Yoder. I know Dorothy will be missed. We send our sympathy to all of her family and friends. Earl, I am sure it is hard and you wish you could have been together longer, but she will be in your heart for the rest of your life.

“ *Grandma,
It has taken me quite a few months to really to accept that you are gone. And it is extremely hard. What I would do to just have one more day with you, to hear you talk (scold) me one more time. I miss you so much. And I know that you are a human figure here on Earth and it comforts me to know that you are watching over me. Sometimes i really think about how much of you is in me and how now that you are gone it feels stronger and I am starting to see life the same way you did which makes me happy. So much has happened in these last few months and I just wish you could be here so i could share all of this with you. Its been so hard, especially on Christmas. I never imagined i would feel so empty, but i do. I am so blessed to have you as my grandma. I love you so much and I cant wait to see you someday.*
