“ Our thoughts & prayers go to everyone of Dougs family.  
I have learned more about this pass year about our cousin Doug,  
talking to him on the phone many times, and stopping by to say Hi,  
he was always so upbeat about his illness, and determined to hold  
on as long as he could. He was a fighter!  
We shared our birthdays 2 days apart, will miss that, and his good  
nature, his eyes, and that guy always had a laugh and a smile. Also  
will not forget how he could dance.  
He will be missed, but not forgotten. Rest in Peace Doug.  
Love, cousin Theresa

“ My tears over your death is selfish, because your truly alive, and  
much happier than I can even imagine. I have so many great  
memories with you, Doug that I will cherish. Like the times you took  
me to your line dancing class, boy you were good! And lets not  
forget the many evenings sitting on Grandmas swing just talking.  
You will truly be missed. One day we will meet again in Glory, and  
you can take me on that camping trip in the mountains we had  
always talked about.

“*Doug, how much we all will miss you is more than can be put into words. Your rugged handsome face will always be etched into my memory. You are alive in our hearts and I know your spirit now is in the hands of God as He takes away all your pain. It is so hard to know that you will not be here to laugh with, to dance with or hunt arrow heads but I do know that you are happy now because God has prepared a place for you that is far beyond our wildest imaginations. I look forward to the day we will be together in eternity. I love you my brother.*

“ Doug, I did not realize that time would go by so fast, we had many years together and not all of them were bad, we had many, many good memories also. It just came to a place where God decided we each needed to go elsewhere with our futures. I could not bring myself to attend services, as it was not my place, as you have a wife now and my attendance would only be interference in the grieving. I did miss seeing DJ and Dudley, those were my boys for many years, and have grown into fine young men, I am very proud of.

*I just wanted you and your family to know that I was there in my heart and I know the picture they have here of you, is the one with me beside you, where I will be in my thoughts always.*

*I wish I could have seen you all, and David, Thank you for all you did.*

*God Bless you all*

*Judy*
