“ Sincere Sympathy to the family of PeeWee. She was a neighbor, mailman, and friend. I grew up just a block from her and even babysat the boys. Then she became our mailman, and we loved visiting with her once in a while. Dwayne took over her route when she retired. She will be missed.

“ I was sadden to see Mrs. Sandlian had passed. I will always remember her. She was the bus driver for the route I lived on. She was always friendly and kind, but she did have a stern authority when she had to deal with out of control kids. I knew she was not just a bus driver when I would see her in later years she would remember me and always tell me hi and if I was staying out of trouble. I am sure she will be missed greatly by her loving family. Your family are in my thoughts and prayers.

“ I felt sad to read that Peewee had died. I have many fond memories of her playing bridge. And as two of my daughters played sports Peewee carted them --very safely--all over the state of Wyoming. I was always reassured to see Peewee standing by the bus--or inside getting it nice and warm on a cold winter morning. My daughter Kay always said they liked to have Peewee drive as she got them wherever "faster than the other drivers". Even so, I had much confidence in her abilities. She was a very friendly nice person. I know you all will miss her terribly.
