“ We were forever friends, never had a cross word....met just before Don left UARCO for training State Police....a long time ago. Glad we met. She called Bob 'Boboola' forgive me for the Greek spelling. Even loaned me the perfect dress for a Jamaica honeymoon. Always a generous heart and we have so many wonderful memories. She and Don were always at the top of our list/always will be. I'll write to Cindy. with a remembrance.

“ Sending this with deepest sympathy to Kelvin & Cindy and their families for the loss of their mother and grandmother. Elaine was such a good and giving person and I have the fondest of memories of her from my youth. As a youngster growing up in Sheldon, IL I was a frequent guest at Kelvin and Cindy's home and she always treated me as one of the family. It was at their home that I eventually developed a craving later in life for "Arnold Palmer's" as she used to mix together ice tea and lemonade which I had never seen done or had before. My last visit with Elaine was in Torrington (around 1979 I think) and I spent a week with her and Don as Kelvin's guest. We all had a great time and I will always cherish those memories. Thank you Mrs. Thompsen for sharing your tremendous life with us.
