“ A memory.. Can't pick just one, she is my best friends mom and like a second mom to me there a many memories to cherish. I first remember meeting Elena when I delivered her newspaper as a very young child it was later that I became friends with her amazing daughter Tanya "my wifey" as some my say. I remember staying at her house when I was 14 and being told I was a girl I should start dressing like one so her and Tanya dressed me up like a barbie doll I'd say lol but to her it was more then that.
I've seen this women give the shirt off her back for many many people. I love you momma until I see you again.
