“ I enjoyed Esther and Jack after they moved to Torrington. Esther was at the Care Center most every day before we moved on the hill. I will always remember her wonderful smile, she was a great person. My thoughts and prayers are with the family.

“ Esther has been a beloved member of our family since she married my brother Jack Hensley. Although we were separated by many miles we hve shared many wonderful events and occasions with one another. Esther was a very giving person and always there to help others. Esther had an unusual memory and if I ever needed a name, an event or date regarding our family functions she could readily recall them.
Esther, will be dearly missed by Dale and I and our family.

“ I will remember Aunt Esther for the warm house, wonderful food, and family spirit that we enjoyed on our visits. Distance made those visits infrequent and my children did not get to know her as well as I would wish. Still, Aunt Esther was always quick to share tidbits of family history and relationships that I now have to share with my children.

We will miss Aunt Esther. She will be remembered.
