“ I was sad to hear of Mrs. Genz's death and am thinking of all of her family that is gathering about right now to celebrate her life. I will always remember her as one of my favorite teachers and can picture all of us kids standing around the piano as we sang all of the oldies but goodies. Also, as she would point her crooked arthritic finger at us with a stern reminder to straighten up. My kids and I got to see her about a year and a half ago and am glad for that last conversation. Thoughts and prayers with you all. Jason
