“ So sorry to hear of the death of my beloved brother-in-law. My love and prayers are with the family. "Sorry I can't come due to the pandemic and flying. I hold loving memories of our times together and miss both he and Judy. She was my younger sister and I loved her dearly. I know that he is now with her and baby Becky Mae. They can continue their love for each other from now to eternity. My arms are around them and will be with them forever. May God bless the entire family. Pinky Tryon
