“ I will miss you "Big Gary", you were one of a kind. I would immediately have a smile on my face when I saw you coming from a distance. Good man!

“ So many memories - enough to fill a book! All include this man's love for others, his giving heart and always being there to lend a hand..... a very large hand. When we were Seniors, he didn't get a class ring because the company didn't make one big enough for any of his fingers.

The World will miss your spirit "Big Gary", as I will!
