“ *Maxine and family, So sorry I couldn't make it to the services this afternoon. The Propane man picked this time to change the regulator on the gas tank at the rentals and I had to let him into the house, etc. Just done at 2:15.*

Glenn was such a nice a guy, always so friendly and jovial. Always had a big smile - just like his picture.

He will certainly be missed by many friends!

*Love to you and your family,
Donna*
