“ Greg and Gloria have been such a positive influence to so many. Very successful and always humble. I was grateful for the connection I had with them through goats. They bought Saanen milkers from me and took such good care of them. When I was invited to visit their home they were so gracious, offering a cold drink on a hot day and visiting on the front porch with a breeze. I felt their faith based love. When visiting I felt their total presence, that nothing else mattered but the time we had to spend together. I think that is the way Jesus would make people feel. The service was beautiful and the message of giving truly captured this family. "I can Only Imagine" what it's like for Greg to be in His presence, by His side. surrounded by the spirit, dancing...

“ Greg and I always had a great time on the train, we had a lot in common and when we had time in Guernsey we walked all over and hid things so we could look for them at the lake. Miss Ya Buddy 😭

“ So sad to learn of Greg’s passing. He was one of the first guys I worked with in Sterling after I transferred to Train Service. Greg was a great guy and I was so happy he found Gloria, who I knew from Guernsey.
I lost my twin sister to the same horrible disease.
Kelley and I send our sincere condolences to Gloria, Amanda, Barney and family.
Rest In Peace, Pink. 😞

I drove van at Branan's Last Resort in Guernsey in my younger years. Greg always had a smile on his face, and he was fun to chat with. My condolences to his family.
