Greg was born February 17, 1956 in the Corona Naval Hospital in Corona, California the son of Floyd Tim and Darlene (Turner) Pease. He grew up in Houston, Texas enjoying comic books, good music, dancing, fast cars, and classic T.V. shows like Hogan's Heroes. Greg enjoyed life's activities to the fullest, especially while playing golf, playing chess (attaining an expert rating and competing in various Texas venues), water and snow skiing, fishing, camping and above all paying close attention to his daughters' wellbeing and education.

Greg received his BA from St. Edwards University in Austin and his MBA from the University of North Texas in Denton. He married Sharon Wang in 1987, and they had two children, Katherine and Julia. The education of his children

was the most important thing to Greg and he personally oversaw much of it. His daughters were enrolled in piano, gymnastics, and martial arts. At his behest, both girls went to every state in the USA, except 5, often via his long hours of driving.

Greg maintained his carpet and furniture cleaning business in Denton, Texas. Only a few days prior, and while still hopeful that his cancer would be defeated, Greg expressed his strong belief in the hereafter to his dad, and said he expected to be in Heaven when his time came.

He will be remembered with love by his “little sister” Stacia, dad, and daughters for the many small unspoken things that made him who he was. He was preceded in death by his mother Darlene and his younger brother Randy.

“*Sadly, I only met Greg once - already ill and hospitalized - and this is my great loss. My husband Lynn and I wish we had known him sooner - living life to the fullest - travelling and enjoying all his outdoor loves of golf, skiing, and camping. He fulfilled the most important thing in life - raising two very wonderful and thoughtful young ladies - Katherine and Julia. Please remember all the good times - keep them fresh in your memories. You will soon be able to smile and enjoy them forever. He will always be near, watching over you. We wish you much love and support through this very difficult time.*

Much love,

*Lynn & Sally Reid

Billy is Katherine's longtime boyfriend)*

“ I remember meeting Greg when I was 16 years old. I immediately thought he was a very soulful, intriguing person. Over the years we saw each other on and off as a result of my close friendship with Stacia. We celebrated the wonderful times in the Pease family together, including marriages and the birth of Julia and Katherine and the great losses, such as the passing of Darlene and Toy. My heart is lifted by the knowledge that he is going home to be next to his mother and as I know see the beautiful, strong and committed young women he brought into this world and raised with so much love I know that he can rest knowing that he did the job he was placed on this earth to do. Rest in Peace Greg with the knowledge that the Legacy you created will go forth and make you proud.

“ I have fond memories of Greg. I remember when (a long time ago) Greg, Sharon and Stacia and Claudia joined our large group and went canoeing down the Guadeloupe. Fun was had by all.

“ Greg did our carpet cleaning for many years. He certainly put his whole heart into it, as I imagine he did in everything. He would work so hard to make his work "perfect", not just "good". I never talked to him that he didn't tell me how his daughters were doing. He was so very proud of them.
