“ *I remember being out-- at I believe it was Rockyford-- with Guy, Bart, Julie, I think, Neil and Jenny and some of the kids , can't remember exactly which ones, and we were going fishing. Guy was in the river showing off and told everyone he didn't need a pole to catch fish, that he could do it with his bare hands. Of course we all laughed and egged him on and about that time under the water he went, he was under a few seconds and all of a sudden he jumped straight up out of the water and wouldn't you know it, he had a big ol' fish in his hand! Yep a good fisherman was he!*
