“ Our memories of Harvey are many. First of all was the fact that he was a great neighbor. He did us many favors over the years and we hope that they were also returned to him by us at times. Our two sons viewed him with such admiration as he took them under his wings at times as only a mentor can. He took them bird hunting which was something they relate to even to this day. He was a strict man but also a very kind man who was a friend to all. We know that he will be missed by many, but at the same time are relieved for him that his suffering is over.

We reach out to Carolyn and his entire family with our deepest sympathies and care for you all. May God Bless You All.
