“ Heidi and I were classmates since 6th grade and related for several years after that. We had lost touch for a few years and then reconnected again when her daughter passed away. Losing a child is such a terrible thing to go thru. I am so glad she found her Savior. Till we meet again!

“ My Aunt Heidi I remember was such a bubbly person! I remember on Family adventures she would be there, and always be the light that filled the atmosphere!  
My Aunt will be missed!

“ We shall miss Heidi .She had an infectious laugh. If you heard it, it elicited joy. She would be the first to tell you her addiction was BLING ! She had a sixth sense about when peas were ripe, before it entered any ones head ! Family members would look out window and see Heidi in garden eating the peas !! Onlookers worried none would be left 🤔

Heidi accepted Lord as her Savior shortly after the loss of her daughter, Amanda in 2020.We spoke with her often on phone and online. She was full of joy and she was truly a new creation, in Christ.

Rest in Peace Heidi. We shall see you soon.
