“ *She was one great lady and will be deeply missed. I always enjoyed our visits before Sunday School. The times spent at her house putting in a puzzle piece or two. Her encouragement, even when she couldn't make it downstairs for Sunday School. Thanks for sharing her love.*

“ *I have so many memories of Mrs. Dunham. She was my 3rd and 4th grade teacher and a very special and caring person. I remember one time that she caught Martha Sanders and I doing something that we knew we weren't supposed to be doing and she just gave us that look. She never said a word but we knew the look! She will be missed.*

My deepest and sincere sympathies.

“ Our prayers and thoughts are with you today. But we have a hope not as the world gives, you know that you will see your mom again. What a wonderful reception she will have when she will see Jesus face to face. Comfort yourselves with the promise that she is with Jesus and is getting your heavenly mansion ready for the rest of her family. She was a godly woman and will be greatly missed. She was one of my favorite teachers. She was the person that gave me the interest in reading. She got me hooked when she would read to us after lunch, *Charlotte's Web* and stop just when it got exciting. She sure knew how to reel you in. God bless you and we will remember your family in our prayers.
