“ We would like to send our deepest sympathy to the family of Henri Cattin. Although we never met Henri, his sister Marjorie told us alot about him and her family. Picking potatoes in Wyoming was always a hot topic. Our prayers are with all of you.

“ Peggy,

Back when I was a young kid on the farm in Veteran, I worked for Pete & Henri several times. Henri taught me a lot about horses, cattle and fixing things. He worked hard and enjoyed life. I looked up to him then, and won't forget him now. My condolences to you and the boys.

“ Marcia, Valerie and I send our condolences and will keep you in our prayers.

I will always remember the jokes Henri would tell, the times we would harvest corn, ride ATVS (the faster late 20th century horse) to rustle up the cows and how he kept the interest of us city slicker kids when we visited the farm.

Best of all, I will remember his consummate prayer...."3 potatoes for the 4 of us, thank God there ain't no more us...."
