“ My thoughts and prayers go out to all the family during such a difficult time. It is always so hard when a love one passes, but they will always remain in our hearts with wonderful memories. I will always remember Uncle Henry and my grandpa playing their guitars and singing "Frijolitos Pintos". May God give everyone strength during this time of sorrow.

“ Linda and Family,

I enjoyed working with Henry during his employment at the Care Center. What a great guy, he was a very wonderful person to work with and I thought of him as my friend. If there is something I can do, please let me know.
