“ I have know Speed since I was a teenager and liked and respected him a great deal. My parents and I as well thought that the Gulley Motor Co. was the only place to buy automobiles. That was due to the fact that the business was conducted in a manner consistant with Speeds values and ethical nature. I also had a professional relationship over time with Speed as well and marveled at his openness and his integrity. His entire family had a role model to be very proud of.

I extend my sincere sympathy to the entire Gulley family and reach out to them in support in their loss of what I consider an outstanding Family Man for them and our loss of an outstanding Citizen. May the Lord's Blessing be with him.

Sincerely,  
Keith Whitney
