“ I was saddened to hear of Jim's passing. Jim was my boss at the EWC student Center from 1998-2000 and all of us that worked there loved him very much. He taught me how to play pool and on many nights when business was slow, you could find Jim and alot of us students shooting a game or two. He would also give us alot of great advice. He was a great guy and will be greatly missed. My prayers go out to his wife and family in this difficult time.

“ Jim totally brightened the work atmosphere at Eastern Wyoming College! The BBQ's and Steak Fries were especially fun to help out with and allowed one to share a little in his work and life... he always made us laugh and had a great story to share. He was special to the students and all who knew him! Truly one of Wendy and My favorites from the college! We'll miss you Jim... Thanks for touching our lives and bringing in the humor!....

Our sympathy & love to his wife and family during these times of loss.
