

## James Cecil Murphy

April 20, 1953 - April 10, 2013

Memorial grave side services for JAMES CECIL MURPHY, 59, will be held at 2pm Monday, April 22, 2013 at the Valley View Cemetery with Reverend Rick Cederholm officiating. James died April 10, 2013 at St. Mary's Hospital in Cottonwood, Idaho from a lengthy illness of recurring bronchial infection. The diagnosis of Parkinson's disease made things even more difficult caring for himself and more complicated and difficult for his primary care givers who have cared for him for the last ten years after his mother's passing in 2003. Cremation has taken place. Arrangements are under the direction of the Colyer Funeral Home and friends may send condolences to the family at [www.colyerfuneralhome.com](http://www.colyerfuneralhome.com).

Jimmy graduated from Torrington High School in 1972. He was a member of the THS band for three years, and an avid FFA member and played basketball. He could play just about any musical instrument put in front of him. He loved to play the piano the most and he was very good. After high school he worked for Diversified Services and Couplamatic doing general labor and assembly line work. He worked until the death of his father (grandpa) in December of 1977. Jimmy was never married. From 1978 until 1989 he was shuffled between Black Foot and Pocatello, Idaho before he settled at SJ Residential in Kooskia, Idaho. He loved living in Kooskia as it was situated in the beautiful mountains with a stream nearby the residents. He loved having the animals the residential home provided for their clients. Jimmy took great

joy and pride in the many vegetable and flower gardens he helped with over the years. All the resident's that resided there were a big part of his life and he spoke of his love for them often. The town of Kooskia allowed him to be only thirty minutes away from his mom (grandma) and this gave him a sense of belonging and her love throughout those years were very important to Jimmy. After the death of his mother it wasn't long before he was diagnosed with Parkinson's disease in 2008 and this limited his mobility to get around. The care givers of SJ Residential had no other choice but to place him into a different facility as they could no longer care for him. From 2008 until his death he resided in Grangeville, Idaho at the Grangeville Health and Rehabilitation Center.

Jimmy is survived by his brothers Ronald (Mary) Lampman, Phillip (companion Pam) Lampman, Tracy (Norma) Lampman, his little sister Denise (William) Neu, uncle Donald Murphy, aunt Ruby (Willard) Lockman, seventeen nieces, three nephews, ten great nieces, ten great nephews, and more cousins than one could ever imagine. He was preceded in death by his maternal and paternal grandparents; his parents Cecil T. Murphy and Phyllis I. (Van Sickle) Murphy; his biological mother Phyllis D. (Murphy) Lampman; and biological father Kenneth Henry; sisters Velinda E. Thaden and Billie L. Knowlton Seifert; brothers Melvin Wright, Maurice (Babe) Wright Jr and his wife Dorma, Donald E. Lampman and his wife Patricia (DeeDee); nephew Charles T. Thaden; niece Latricia Lampman; great nephew Dillon T. Thaden; and a multitude of aunts and uncles. May he rest in peace and love with our Savior and family who have gone before us. Until we meet again my brother, cousin, uncle and friend.

“ *It is with a deep felt heart I send my condolences to the Murphy family on the passing of Jimmy.*

*I knew Jimmy only from 1968 to 1970. Jimmy was more than a school friend, he was my best friend. People come in and out of our lives for reasons, Jimmy came into mine and he never left. Even though I moved away, back to Missouri, there has not been a day that I have not thought about him. That has been 48 years I knew him. Least I be so bold, Jimmy took residence in my heart and I came to love him very much. That love never died. We lost touch, and it hurt to find he had passed away. I wanted to find him, to tell him I had never forgotten him. Unless I'm hurt, I will keep my loyalty, faith and trust in the friends I let get close to me. Those who I let close, will find that I also love them with an undying love. Jimmy is one of those very few. Even though he is no longer here, it does not change. I'll see you again, my friend. Rest in Peace.*
