Janice born July 10, 1938 in Alliance, Nebraska the daughter of Allen and Eunice (Mullender) Long. She was the youngest of two children.

Chink participated in several activities while in high school. She was popular with her classmates of the 1956 graduates. On September 2nd she married Bill Marsh, also from Alliance and a 1953 graduate and recently discharged U.S. Marine after a three year tour. Two sons, Michael and Jeffrey were born to this union. She and Bill would have celebrated their 60th anniversary in four months.

Her mission in life was to leave this world a better place than when she arrived. She has touched the lives of all those people who have been fortunate enough to know her. She was a wonderful wife, mother,

grandmother and recent great grandmother. Additionally her positive attitude and infectious laugh was up lifting to her students, colleagues and friends....she accomplished her mission. Also, Chink, through her hard work and determination, earned her Associates Degree from EWC and a Bachelors and Master's Degree from the University of Wyoming. A true not-traditional student, she accomplished these academic challenges after Mike and Jeff entered high school. Chink then provided exemplary service employed by Goshen County School District for approximately twenty years. She was a member of All Saints Episcopal Church and a member of PEO Chapter AK.

Everyone who knew her will miss her and remember their times together. She is survived by her husband Bill, son Mike and grandson Jacob, son Jeff (Cathy), grandson Britton (Brenna) great-grandson Finley, and granddaughters Blakeley and Allison and several nephews and nieces. Preceding her in death were her parents and sister Phyllis.

“ I remember when I first met Janice through her husband, Bill Marsh. Bill is an active member of AARP Wyoming and Janice would always join us for the various activities, events, and community projects. She always made you feel welcomed and at home.

I was at their home one time waiting for Bill so we could head to an AARP event. I remember admiring her knick-knacks on this beautiful shelf near the ceiling. Bill walks in and says lovingly, "enjoy looking at them, all they do is collect dust and I have to get a ladder and dust everyone of of them." I could see Janice from the corner of my eye smiling....kind of a loving and mischievous look. Janice did a lot for her family, neighbors, friends, and her community. She will be greatly missed. With all our hearts to Bill and the rest of the family, from your friends at AARP Wyoming Tim Summers, Bret Baugh, Renee Gamino, and Tim Lockwood.

“ Mike and Jeff, my deepest sympathy to your family. I was very fortunate to know your mother through the Head Start program. She was my Child Development instructor and helped me to obtain my credential. Because of the encouragement provided by Chink, I went on to the University of Wy. and received my teaching degree. Chink was a most wonderful person and I thank God for bringing her into my life. May God give you comfort during this difficult time.
