She was looking forward to taking a trip to New York for her graduation celebration with her mother, Wendi. She hoped to become a Child Services Lawyer and was interested in becoming a certified welder as well. “ I wanted to share a picture of a favorite time when we all went tubing in Frasier, so much fun tubing with Jayde! Although my first thought goes to when Jayde and Wendi first moved in a couple doors down from us, and Sweet little Jayde had a princess birthday party! We will cherish memories of babysitting, sharing birthdays and holidays with Jayde! Always in our hearts 💕 Ann, Alyssa, Alex, Jeff

“ Oh Jayde, you are missed so much. I know you were in so much pain and suffering and we feel awful we couldn't help you overcome it. Always know no matter what, we loved you unconditionally. You are my niece and will forever be missed. We will never forget the fun times, you used to have sleepovers at our house with Kaitlin and you both would giggle to wee hours having fun and that always put a smile on my face. You were so amazing with my Kaitlin and she loved you so very much. Your at peace now baby girl, we will grieve for a while and we will go on but your memories will live on. Rest in Peace beautiful, sweet Jayde. Aunt Val, Courtney, Kaitlin, John will always hold a very special place in our hearts.

“ Will cherish the wonderful memories of Jayde and Wendi with the horses. Jayde's first dressage show, and watching her grow up into a beautiful young lady. I will always remember her sweet smile.

“ Wendi, even though I did not know Jayde, I know of her through you and your mother, Dorothy. My heart goes out to you on this most terrible loss. Such a waste of a beautiful young and talented life. The world will miss her and what she would have brought to it and what she would have become. your friend Linda

“ My most precious memories include your birth. You were born and the doctor said to me congratulations on your daughter. I was in shock as, the whole time they said I was having a boy! I told Auntie Denise and she showed up with almost an entire store full of girl clothes. You have always had your own ideas about life and it began that day. I cherish every minute I had with you. I love you Jaydee girl.
Love Mommy
