“ Jenny was such a beautiful and loving person who would do anything for anyone. She was like a little sister to me, we spent a lot of time talking about things, watching movies and laughing a lot. She knew how to live life to the fullest and that made her Jenny. I will miss her greatly. Our world is a little dimmer but heaven has the most unique and brightest star shining down on us. Jen, dance and sing your heart out for you are a heavenly angel. Love you!
