“ Dear Sandy, Debbie, and all of Jo's family,
I will always smile when I think of Jo. You could not be more correct when you say Jo leaving a mark on the world is an understatement. She was one of a kind! I remember when your family lived at the bird farm and going to your place with the Marlatts. I had so much fun! A lot of that fun was because of Jo and Oop. Then later my mom loved going to lunch with the Yoder Lunch Bunch. Jo was a big part of that, too. A little little bit of light left with Jo. I am happy I was lucky enough to have known Jo. She was a hoot!
Thinking of you,
