October 20, 1926 - January 9, 2021

JoAnn (Flanders) Fuller, 94, died in Sheridan, WY on January 9, 2021.

A graveside service will be held on Friday, January 15 at 2 pm at the Valley View Cemetery in Torrington, WY with Reverend Jeff Wayland officiating. In lieu of flowers, donations can be made in JoAnn's name to Waggin' Tails Animal Shelter or donor's choice.

Arrangements are under the direction of the Colyer Funeral Home and friends may send their condolences to the family at www.colyerfuneralhome.com.

JoAnn was born on October 20, 1926 in Topeka, KS. She was the daughter of John and Ruth Flanders. Her early childhood years were spent in Denver, CO. Following her high school graduation, she attended nursing school at the University of Colorado, where she later earned her RN. During this time, a classmate, Margaret Ann Fuller (Kennedy), introduced JoAnn to her brother, Jim. They later wed on November 30, 1949 and shared 63 wonderful years together, in Torrington, WY. The couple had five sons; she was the biggest cheerleader of their sport and academic achievements. She was a hard worker and made sure the boys looked immaculate with their home haircuts and pressed shirts. She never left a sheet un-ironed!

JoAnn worked as a nurse and a teacher at both the school district and

Eastern Wyoming College (EWC). She served as a chaperone for the EWC volleyball team. PEO and Eastern Star were organizations that she was actively involved in. She achieved the position of Worthy Grand Matron and traveled extensively across the state of Wyoming, with her faithful husband by her side.

Survivors include her five sons; Jack, Jeff (Judy), Jim (Sandy), Joe (Diane), Jon; four grandchildren, Stephanie Ellis and her daughter Brooklin, Kristin (Zach) Herbst and their children Natalee and Murphy, Josh (Cassie) Fuller, Lindsey (Brian) Parke and their sons Tavin and Korbin. Preceding her in death was her husband Jim (2012).

A special thanks for those who cared and supported JoAnn while at Elmcroft of Sugarland; Greenhouse Living of Sheridan and also Sheridan Memorial Hospital.

Then they had their firstborn, Jack. Then. Jeff.. then Jimmy..then Joey... and finally Jon. Cutest family ever! Jo was so kind and always smiling. She was a strong, feminine amazing person. “ We always called her Jo! She married my first cousin, Jim. Jim and j were my idols as a little girl. Always beautiful and always laughing. They had their first born, Jack... and, then Jeff, Jimmy, Joey and Jon. They were the cutest family. Jo always looked like she stepped out of a bandbox and so did the boys. We loved it when we got together.... especially on Christmas Eve and the 4th of July! She was the epitome of a strong feminine woman with the spirit of an angel. I sure loved her!

“ Dear Fuller Boys,
Any of us who grew up in Torrington in the 60's and 70's knew the Fullers. All of you with your names beginning with a "J". How lucky our community was to have all of you as a part of it. The world has lost another shining light with the loss of your mom. She was a lovely and kind woman. I cannot imagine the stamina it took to raise all you boys. Your folks were well loved in Torrington. I am deeply sorry for your loss.

“ I first knew JoAnn when she was a school nurse and I was growing up in Torrington. In later years when I visited my mom--also an RN (Lois Thompson)--I would often see JoAnn around town. Many times I would see her at the hospital visiting Jim or someone else there. I was there (at the hospital) with Mom, who worked at the hospital gift shop after retiring from many years of nursing in Torrington. I so enjoyed visiting with JoAnne whenever I saw her. She was a very lovely and loving person.
Our sympathy to all her family. God Bless you and be with you through this difficult time.

“ JoAnn was wonderful. Howard had the privilege of working with her at Middle School and coaching her son Joe. My connection (Karin) was through church activities plus we were both PEO sisters. An exemplary roll model whom we held in high regard.
We send our condolences to the family of this amazing lady.

“ Thought the world of Joann, when I lived in the same neighborhood loved to exchange a few quick words as she walked her dog, that woman could walk!
