“ Dear Regina and Joanna's Family,
I cannot begin to tell you how very sorry I and many others in our neighborhood are about the death of Joanna. When I relayed the information about Joanna to my daughter, who is going to school in Manhattan, KS, she told me how she remembered Joanna helping kids at the high school. She said Joanna was always cheerful, kind and helpful.

Regina, when I worked with you at Citizen's, I remember the happiness that would cross your face when you spoke of your children. I am so sorry for your loss--a loss you should not have to endure.

Please know, all of Joanna's family and friends are in my thoughts and prayers. God bless each of you.

“ Many blessings to you all. I know that you all hurt so much right now, but soon the sun will shine and wonderful memories will replace the sadness in your heart. I'm so glad for all the times she brought Elora to the bowling ally so I could see her. She so adored Joanna and James. Her little eyes followed Joanna everywhere. Please know that Joanna touched so many more lives than you will ever know. She was an Angel on earth to so many. Prayers and thoughts Patty Schaneman

“ *Words cannot express the heartfelt sorrow that I feel for your family. Joanna was such a good person---I considered her a friend and I know my mother did too. I am glad I had the chance to know Joanna and spend time with her and work with her. Her short life had an impact on many people and her love for her family was known to all that knew her. She loved each and every one of you more than you may ever know. What a blessing to have had her in our lives! Rest in Peace JoJo--I can still see the smile on her face when the boys or Sebastian would call her that.*
