Joey died May 26, 2024 his life tragically cut short doing what he loved, camping at the lake with his mom and other family members. Cremation has taken place. Memorials may be made to the family or Boy Scouts of America Troupe #17 in Gering, Nebraska. Arrangements are by the Colyer Funeral Home and condolences may be sent to [www.colyerfuneralhome.com](http://www.colyerfuneralhome.com).

Joey was born March 18, 1999 in Scottsbluff, Nebraska. He had a beautiful soul, big heart and superb work ethic. He was always smiling, kind and willing to lend a hand to anyone in need, whether they asked for his assistance or not. This included helping people cut their lawns, scoop snow, cut wood or anything else that came up. Joey was even known as a pre-teen to spend an entire afternoon in a frog stance using a scissors to cut a friend's lawn. He chose to do this with so much precision, keeping the lawn even and well cut, even with all the blisters. He was very proud of his work and others were equally impressed and pleased. Joey's first love was his mom, Jody. This was evident from the time he could walk and talk. While it is common for a toddler to always want to be by a parent's side, this continued into adulthood for Joey. He was protective of his mom, loved to tease her and would help her without being asked. This kindness and love that Joey had extended to his

grandparents Larry and Lila, his siblings, extended family and everyone he met. He carried his heart on his sleeve and loved bigger than life. He didn't have a harsh word for anyone. Joey's smile, love, compassion and love for life and others will be greatly missed. As Joey often said to his mom, "I love you more than race cars, you are my best friend".

Joey is survived by his mother Jody Eaton; grandparents Larry and Lila Eaton; uncle and cousins Kelly, Leeah and Jessika Eaton; uncle and cousins Larry (Julie), Jayce and Sydney Eaton; sister ChyAnna Eaton; cousins Codi and Brady Williams; foster grandparents Jim and Jane Gall; and numerous great aunts, uncles and cousins. He was preceded in death by his great grandparents Verona and Wendell Eaton and Dean and Gloria Williams.

“ Jody we so wish we were closer, to be able to hug you, and support you through this unimaginable time. We were blessed to meet Joey and, although it was only once, he touched my heart in such a profound way. His gentleness, kindness, unbelievable artistic talent and pride as he shared stories of the life he had built with you as his mom. Taking us through his room talking with us and, at such a young age, was mature and interested in getting to know us listening and present. He was pure joy and loved you so very much and the family he had. We are wrapping our arms around you and lifting you and the family up in our prayers Know we are always, as he is, with you forever.
