“ *One of the memories I have of John is that he always greeted my husband Bill by name and was always glad to see him. The last time I saw him, he pointed his finger at me and said " I know you, you're Bill Rosengreen's . My condolences to the family, God Bless."* Gertrude Rosengreen

“ *M best memory is how he loved going to his Grandma Elva's and Grandpa Evans home in Torrington to share time or family gatherings. He remembered them and mentioned them long after their deaths. He was always shaking hands for his greetings with me, and always remembered me, even after looking times between seeing me. RIP*
