

John Dale Gibb

January 28, 1961 - September 25, 2021

YODER, Wyoming --- John Dale Gibb passed away at age 60 after experiencing complications from a serious illness. He came to rest peacefully on September 25, 2021 surrounded by loving family members.

A celebration of life will be held on Saturday, October 9, 2021 at 2pm at 207 Markley St. Yoder, WY.

John was born and raised in Cheyenne, Wyoming and was recently retired from a successful career in the oil industry. He spent many years of his life living in Soldotna, Alaska where he pursued his passion of fishing on the river for salmon, and in the deep sea for halibut. John also enjoyed his frequent hunting trips where he spent quality time with his father, brothers and cousins. John left Alaska and returned to Wyoming in 2015 with his fiancé, Taffi Ingerson, and the two quickly adopted a new hobby of raising chickens, pheasants and ducks.

John is survived by his parents, John and Peggy; three daughters, Jessica, Brittany and Morgan; two brothers, Joe and Jamie; and five grandchildren, Camry, Caiya, Gavin, Brecken and Makenna. John was a kind and compassionate person who was known by all as a loving father, grandfather, son, brother and friend. He was deeply loved by all of his family and will be

truly missed.

In lieu of flowers and gifts, please consider donating in John's honor to the St. Jude Cancer Research Center at <https://www.stjude.org/donate/donate-to-st-jude.html>.

“ John was just so much fun to work with. Since we both migrated to Alaska from Wyoming it made getting to know John pretty easy. Given the schedule and the hours required to work in the oilfield service industry, you spend as much if not more time with your oilfield family than your family at home. Johns personality and humor sure made some of the tougher jobs easier to deal with. My heartfelt condolences to the entire Gibb family.

“ So many memories it’s hard to pick from. There’s just one that sticks out over the rest. I was 5 years old with my little four wheeler riding around our old house in cheyenne. John got the bright idea to star grabbing dried up horse turds and proceeded to throw them at me as I would drive by. So my little 5 year old self stopped and grabbed some of my own. This meant war. There was never a dull moment when John Gibb was around. He always new how to make everyone smile and laugh. He was also good at teaching me how to give my mother a heart attack! The world needs more men like John. -Kyle Gibb

“ He was a gentle giant! He really did love his brothers even though he teased them fiercely! We grew up together even though I lived in Denver. I often accompanied my grandmother to visit her sister “Dory” and would spend a couple of weeks in the summer. He will be greatly missed! My Love and deepest sympathy to all of you! Much Love Sally Lapham (Stanley)
