“ *RIP John, I know your kind soul will fly with the angels in Heaven. I know all your pain and anguish is gone as God invites you to the pearly gates. I am sad at your passing, but know you are in a better place. I am glad to have known you, and to have spent several years with you. As we separated and went our different ways, I thought of you often and wondered how things were. Please know I always wished the best for you and wanted you to be happy. Now as you take the next step, your soul will be blessed as the kindness in your heart was genuine. RIP dear John.*
