“ Judy had a huge impact on my life. In my early 20's I worked with her at Wheelers (now Baumgars). She spoke freely of her faith and never judged me for living the way I did. She loved on me, invited me into her home, taught me how to can Veggies, she spoke freely about Jesus and pointed me to Him always. When I got right with Jesus many years later she was one of the first people I reached out to. Today I have a very strong relationship with the Lord and I know for fact I can attribute that to Judy's prayers and love for me. I cannot wait to see her again in Heaven.
