I know there is very little that can be said at this time to ease your pain... Just keep your faith in God and know that He will take care of Judy as you have done. Love to all..... “ When Jan called to tell me the terrible news it took my breath away. Judy & Dick were one of the first people we met when moving to Torrington in "86". They took us under their wings got us acquainted, as did Wendy for Sonja . Wendy included our daughter in her circle of friends. We had so many good times in the 18 years there. So many good & bad golf games. We looked forward to Wed & Friday nights together @ the club. We celebrated birthdays together for day's. She was so vibrant she is the last one we ever expected to lose. It's been 10 years since we left Torrington but memories of our friend ship remained strong. Our heart goes out to you Dick Wendy & all the family, in this time of pain. Our prayers & thoughts are with you constantly now. Judy's mission on this earth must have been fulfilled, though VERY hard to understand. Jim & Annette Butler

“ Dick and Wendy: We are so sorry for the loss of your wife and mother, Judy. We hadn't been together in a very long time, but when we were neighbors (years ago!) we had such good times. Some of the pranks played on each other across the back alley often times made Judy so mad but she always laughed (and got even!). Her summer patio parties were always so delightful. You will miss her so much. We pray for the ache in your hearts and for your healing in God's great love for you. In friendship, Charm and John
