“ To Terri, Gary and family. Brian and I are so deeply saddened by the passing of Julie. We enjoyed seeing her so much at Walmart. She was quiet but she had the biggest heart of gold and always giggled at us. You have our deepest sympathies!! If there is anything we can do, let us know!

“ I always liked working with Julie at Walmart. If we worked at separate counters I would always wander over to talk to her. She was really friendly and I always looked forward to working with her. She made rough days a little more bearable. 😊 Going to miss you lots, Julie! 😭

“ Can't believe that you are gone. I enjoyed working with you at Walmart in the cash office and the money center and service desk. I enjoyed our travels to gamble too. I will miss you as I always stopped in Walmart and if you were working in customer service I made a point of coming over and talking to you. And it wasn't that long ago we talked. RIP Julie as you will be missed by many. Prayers coming your way for you and your family. She was a very special lady. Fun loving and always had that smile on her face. She loved her cats and talked about them often. Already missing you and your smile. Your free now and no more hurting. Watch over us and continue to be by our side. Love you Julie, my friend always and forever.
