“ Kathy was such a special lady. I met Kathy through a mutual acquaintance as well as her becoming my boss at the PX one summer. She also taught me how to make quilts. She was so very caring, loving, and talented. I will always remember the time we spent together sewing.

I am very appreciative that I was able to have Kathy in my life even if we had lost touch over the years. She was always in my thoughts and she will always hold a special place in my heart.

So very sorry for your loss. I pray that God's grace and your special memories bring you peace and comfort.

“ I was so sorry to read about the death of Kathy. She and I were very close friends while attending high school. Our lives grew apart after we graduated so I never seen her much. She will be missed greatly! My thoughts and prayers go out for her loved ones left behind... If we can be of assistance in anyway, don't hesitate to call! God Bless You Each and Everyone!

“ I have been selling supplies to Kathy for 4 years now and have got to know her very well, she will be sadly missed. And her little dog Sadie is going to miss her terribly. Everytime I would go to the motel her and Sadie would be there. This is quite a shock and I am very sorry for your loss, and I have also lost a friend we became good friends. Just talking about everything. She was so excited to become a foster parent. Kathy will be sadly missed, again I am so sorry.

“ To my dear Aunt Ida Lou, Uncle Jake, Patricia, Dale, Clinton and family,

We are saddened that we won't be with Kathleen anymore on this earth, but we look to the Lord for comfort and strength. As Psalm 46 verse 1 says, "God is our refuge and strength, an ever-present help in trouble."

We are thankful for Kathleen's life and her generous heart.

We love you all and are keeping you in prayer through this difficult time.
