“ We are so sorry to hear of Kurt's passing, I grew up with him and Karen. Beenie and my dad were good friends and Dad got Kurt started in the signal department in McCook. I know Dad really liked Kurt and knew he was going to be a good maintainer. Not long after Kurt got started Dad suddenly passed away and Kurt came back to McCook and took over his job here. I know that would have made Dad happy and I knew he was looking down on Kurt; still teaching him. I'm sure Kurt and Dad are up there telling railroad stories now and Kurt telling him how much has changed in the job that my Dad loved so much. Know that we are keeping you and your family in our prayers and thoughts.

“ *My sincerest condolences to Kurt's family. As for many others, his passing is truly sad news for me. We were on the golf team together at McCook Junior College. Fifty years ago this Spring we won our regional tournament and qualified for a trip to the national tournament in Roswell, New Mexico. I'll cherish my memories of Kurt and our times together. He was a great teammate, and a true friend.*

“ It was my 2nd day as a maintainer on the Ravenna Sub and Kurt and the rest of the "Quality Assurance" team showed up. Kurt knowing, I was just getting my feet under me and being new to the Main line gave me his card and penned in a cell number on it (might of been his personal number). When he handed it to me he said "call me anytime even if it's 3:AM". Never did but knowing I could, was a game changer for me.

“ He was the best friend as was Patty to me when Don passed away. They were there for me from the time he went in to the emergency until we all 3 stood in the ICU in Scottsbluff and watched him fade away. I loved him like a brother and there wasn't a better person on Gods green earth than Kurtie. He will missed by all than knew and loved him. Rest easy Kurtie and keep it in the short grass!
