Lila was born August 31, 1936, in Lyman, Nebraska to Cecil "Mike" and Mary "Bobbi" Pittman. She grew up in Lyman but received her education in Huntley, graduating in 1954. She married Vern Lackey on September 12, 1954, at the Presbyterian Church in Huntley and to this union four children were born: Tim, Kerby, Curtis and Lana. They were married 43 years before Vern's passing. She worked as a para in Goshen County for 30 years helping many children along the way. Lila was also the secretary at the Elementary school in Torrington until her retirement in 2002. After her retirement she married Maury Brandt on March 3, 2003, in Scottsbluff. Together they shared five years of love until his passing in 2008. Among the many things that Lila loved to do, music was at the top of the list. She taught herself to play the piano, accordion and steel guitar, in fact she and a very close friend Lew Russell traveled around to the local senior centers and played music for many people. Lila was a very active member of the Federated Church where she loved to socialize

with people she loved. It was often said that she never knew a stranger. Lila was a very devoted family woman, and her children and grandchildren never had to guess of her love for them. She will be deeply missed by all those that knew her.

Lila is survived by her children; Tim Lackey of Torrington, Kerby (Amy) Lackey of Torrington, Curtis (Kathy) Lackey of Cheyenne and Lana (Dana) Meisner of Scottsbluff. Her eleven grandchildren, fourteen great-grandchildren and brother-in-law Alan Lackey of Wheatland. She is also survived by many extended family members as well as her church family. “ I will miss Lila deeply. A story that will stick with me forever is that one day during church services the sound system was acting up and she made the comment, "I think we're being tested!" Ever since that day I use her comment when trials come upon me!:)

“ *The picture shows how dedicated to laughing Lila was. Lew and I already miss her - there was no piano/guitar practice yesterday afternoon. She was one of our very dearest friends and is already greatly missed. She's experiencing the glories of Heaven and that's wonderful!*

“ *Dear Family,*

We're so sorry for your loss. We met Lila through square dancing and have been friends ever since. She was the light in the room and brightened everyone's day when she was around. She was the "hostess with the mostess" at "Lila's Bed and Breakfast" as she called it when hosting friends overnight. What a talented, loving and caring person she was! We will really miss her. We're sorry we won't be able to attend the funeral as we are out of town right now. We send our condolences to all of the family.
