“ I am truly sorry for the loss of your Mom, I know there will be a huge void in your lives, your Mom lived for her children & grandchildren. She was so proud of all of you, your all she talked about, except for her stories of a new and exciting trip she had been on and what fun she had! Your Mom lived life to the fullest and never missed an opportunity to have a good time! Linda was a talented, hard working, energetic, caring, & "FUN" friend. I marveled at her woodworking skills, she was truly an outstanding "craftswomen" She passed her knowledge of the upholstery trade onto another good friend, Joan Mitchell & I; and was also an excellent teacher. I have so many good memories of Linda, I can't believe she is gone. My heart aches for you, her family....I know she will be sadly missed. I also have lost a delightful friend and will miss her.....I loved Linda.

“ I was shocked and saddened to hear of Linda's passing. I have thought of her many times over the years.

She was such a gifted artist with her woodworking, and I'm proud to still own one of her creations. I learned a lot about life from Linda, and for that I will always be grateful.
